

*Our **exclusive hotel insurance program** is like vanilla pudding...
One taste and you'll be back for **more!***

Program Highlights:

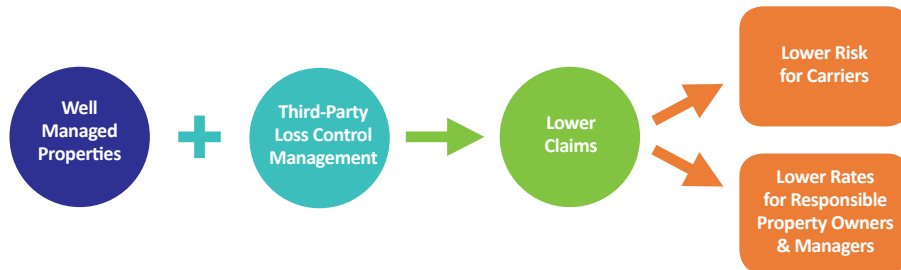

Our rates are generally below market, because:

- Our program is comprised of responsible property owners and managers.
- All properties in our program enjoy the benefits of our loss control management services.
- All properties in our program have average or above average general property upkeep.

You can get instant online quotes, because:

- We have pre-set (discounted) rates for all parts of the country.
- Our online INSTANT QUOTE wizard is easy to use, all you need is some basic property information.
- Additionally, you can bind a property in 15 minutes. It's really simple, if the property fits our criteria, you submit the forms, and we'll bind it right away.

How It Works
